

**SUPERIOR COURT OF CALIFORNIA, COUNTY OF CONTRA COSTA**  
**Application for Discharge from Accountability**  
**Government Code section 25259.7**

The Court Collections Unit (CCU) of the Superior Court of California, County of Contra Costa (Court) respectfully applies to the Presiding Judge of the Court for a discharge from accountability for the court-ordered debt or bail listed in Attachment A, that it would otherwise be responsible for collecting. The request is based on one or both of the following: 1) the amount is too small to justify the cost of collection; and 2) the likelihood of collection does not warrant the expense involved.

Specifically, Attachment A contains a list of 84,036 infraction cases with a total balance due of \$58,379,568.07 extracted from the Court's traffic case management system, AMORS. All the cases listed have been referred to collections; however, collections has been unsuccessful as the date of the last payment, or date the case was filed with the Court if no payment was received, is at least 10 years old. Due to these factors, CCU has determined that all reasonable collection efforts have been taken and the likelihood of collection does not warrant the expense involved.

A discharge from accountability does not constitute a release of any person from liability for payment of any amount owed.

**Total amount requested to be discharged from accountability: \$58,379,568.07**

**The names of the persons liable and the amount owed by each are incorporated in the attached report.**
