

SUPERIOR COURT OF CALIFORNIA, COUNTY OF CONTRA COSTA
Application for Discharge from Accountability
Government Code section 25259.7

The Court Collections Unit (CCU) of the Superior Court of California, County of Contra Costa (Court) respectfully applies to the Presiding Judge of the Court for a discharge from accountability for the court-ordered debt or bail listed in Attachment A, that it would otherwise be responsible for collecting. The request is made because the likelihood of collection does not warrant the expense involved.

Specifically, Attachment A contains a list of 164 criminal, family, probate and juvenile cases with a total balance due of \$28,090.85 from the Court's accounts receivable system, CUBS that did not migrate over the Court's new case management system, Odyssey. These balances do not include any victim's restitution owed. These accounts were established between 1991 and 2005, and although they have been referred to collections, CCU has been unable to collect any payments for most of them. Since CCU has retired CUBS on March 23, 2022 and migrated its collections accounts to Odyssey, we would need to manually set up each account balance in Odyssey in order to continue collections efforts. Due to these factors, CCU has determined that all reasonable collection efforts have been taken and the likelihood of collection does not warrant the expense involved.

A discharge from accountability does not constitute a release of any person from liability for payment of any amount owed.

Total amount requested to be discharged from accountability: \$28,090.85

The names of the persons liable and the amount owed by each are incorporated in the attached report.
